Seeking help and a contact email address  
for the Internal Revenue Service (IRS) I  
noticed their use of the word, "sometime" on  
the TAS Subscription page and this word  
was referenced often as a measure of  
time by group(s) or individual(s) who  
abuse me in a way that is, or mirrors,  
telepathy, especially between Apr. 1<sup>st</sup> and  
May 6<sup>th</sup> of 2020 after first meeting  
a man named Louis Hach.

I used the word in Whatsapp messages to  
Louis that I now cannot access and was  
told by abusers of me at the time that

Lavis Hach shared them with someone else who had abused me and is said to actively ask individual and companies, including Starbucks in 2020 to abuse me named Tikhon Bernolan and Tikhon, included in the email attached regarding the IRS, was said to admit that what I wrote to Lavis was from them and "them" referred to the multiple people abusing me then which was said to include someone who I had not seen allowed to file valid harassment incident against w. the NYPD after she abused me, Kani Chu,

Please know that I am attaching a copy of the letter to the New Brunswick's Department of Labor & Industry that is mentioned in the oral that I would like to send to the Internal Revenue Service.

He is often said to have been inflexible with Jack, though Marshall-Pennell and Ned Cobb, two of the people associated with the United Fund that I consulted and who seemed to be the FBI, so they are among my clients as I would like to only work with the FBI for men or women they work with on my principal terms and transferred time-and working under only to be established in the United States and someone that the FBI is aware of my standing in pay my taxes quarterly and have verified me personally, so I can pay any taxes on my assets.

Can you please let me know if there is someone in your office I can speak to another round to present on a no-bidder West City, but would be happy to travel to another city, including Washington, DC, which I am hesitant to include because it means showing up to explain the city's status on a topic like capital?

I also told that people have used the third name of my first legally issued U.S. passport, "Khan", for identification, namely a former employer at whom I have been, who was a recipient of the Visa being in the only office in Washington get what she told me when I met her in 1970.

[illegible][illegible][illegible][illegible]

Since, under the cover of my role as a consultant in my capacity on January 16, 1974, and having taken on both, July 7th of 1974 and then, December 18, 1974, I must naturally understand myself a "long subject" per se, however I actually had not used drugs continuously in my other only with one exception after my 1974 trip to the University of Miami, for over 7 years and began using drugs continuously for reasons related to not only addiction, but sheer lack of total control and not having any other valid and established ones (family or religious, non-derogatory situations).

Please know that it is gratifying to note that I helped the school become a more active member of our community since August of 2014 and I would be glad to continue being shared, but I am already considering the addition of ways like the program under growth or possibly providing them in the way we also I need the help of the volunteers and intelligent people and by all those who share me in the way to be shared to other schools and their use.

# Summons and Complaint Dawn Quaker vs. United States of America

## Internal Revenue Service

Supporting a hate crime against me that impacts all 8 of my companies which I am happy to discuss in full with the defendant. as people who abuse me, even while in the shower alone, say they put them (ie. my companies) in people's bodies and their use of them while I am abused, or someday hopefully when I am not abused, also is an example of the abuse of me, as they are all my companies and the references to them, my "body" use of me, use of them, investment in them, or working with them, and all Hate Crimes with every moment of use or reference rightly to me evidence of the hate crimes and a part of them,

Because of the support for this Hate Crime against me and my companies

Pg 2/24

Summons and Complaint  
Dawn Quaker vs. United States of America  
Internal Revenue Service

I have yet to be able to pay all of my taxes and have my 2015 taxes reviewed, and I have been a victim of this crime since 2005 likely, but 2011 being the year I would have said it began before the constant abuse of me began ~~on May 10, 2019~~ in early August of 2019 as after August of 2019 I was forced to all Kristen Weiser, or Kristen Leger, and Taryn Kaschock-Russell and Jason Saltzman continue to abuse me

They, and others, enslave me or speak of me to me as if they do, and talk of the following: "leashed on (me)", "staying with (me)", "letting (me) go", or, "letting (me) loose on the world."

This is important as I fear the US Gov' cannot stop or arrest them, and I will have to prey on people and companies that abuse me to learn how to stop them

Pg 3/24

Summons and Complaint  
Dawn Quaker vs. United States of America  
Internal Revenue Service  
from forcing me to hear them, which  
is the means of abuse that began  
in the Fall of 2011 while I was  
working at Raymond James Financial

My taxes are important to me as I  
don't want to be found guilty or  
have to plead guilty to tax evasion,  
and since May of 2020, the people  
abusing me have been so aggressive  
I cannot meet my needs because  
of them, not me

I did pay only my federal taxes in 2020  
and as mentioned, knowing I owe back  
taxes and what by now, should be legally  
and rightfully taxes for 8 companies  
that as of now, only I am still the  
legal and rightful found of; I paid these  
so that I could apply to the UN's  
Summer Graduate Program in Geneva  
and apply to, and pay for, the MIT

Abdul Latif Jameel Poverty  
Action Lab's DEDP Program,  
which it not abused since May  
10, 2019 in the way I am I  
would have already started.

I also want to clarify that the  
reason that I have to write  
that the Hate Crime began in  
2005 is for abusers of me, who  
violate my history, <sup>incl</sup> all comments  
ever made by me and my body,  
and my rights, with them referring  
what they do, in, or about me, from  
this, not only files regarding me, or  
their history with me to derail  
my life and use me, namely Nancy  
Walton Laurie's former "company"  
members and "apprentices" if not  
me, from Cedar Lake Ensemble or  
Cedar Lake Contemporary Ballet,  
as they say, or see, (their) abuse of me  
as not abuse, or fair because of

their views, other people abusing or hazing them, "their work", their relationships, with me prior to 2015 of Kristen Neiser, or Kristen Reger, especially, of her current or former husband, or family, potentially, and in 2016 or 2017, my choices that they could view legally on my public or private social media or social network accounts.

It is important to note I was targeted in 2014, 2015, 2016, and 2017, due to people abusing me prior to these years, as well, and the impact of my being abused to me is defensible even if by definition to me also defined as criminal, which does not mean I am not willing to be incarcerated and plead guilty for any crimes I committed. However, I do know I can work legally in jail, pay my taxes, and hopefully not be forced to

Pg 6/24

# Summons and Complaint Dawn Quaker vs. United States of America Internal Revenue Service

allow myself to be enslaved or abused by Kristen Wesser or Kristen Rayer, Jason Saltzman, and/or other former employees of Nancy Walton Laurie, or Nancy Walton Laurie and Tarun Kaschock-Russell, especially internally, in a way that is, of mirrors, synthetic telepathy, as I personally do not want to spend my life suing people or other companies, but only find ~~that~~ doing so right or ethical when compared to the entities or people I mention or reference who abuse, use, exploit, and intentionally undermine me, my "body," my relationship, my future and my companies as in 2020, even as they abused me and them, they were said to make long term plans for any, or all, of them and they had, or invited, my mother to attend fake funerals for me.

7/24

## Summons and Complaint Dawn Quaker vs. United States of America Internal Revenue Service

In addition, the NYS Supreme Court of NY where I have been abused to file lawsuits like these since July 7, 2020, delayed a Summons and Complaint or Notice regarding this against the Internal Revenue Service (IRS) with a large number of others in March and April of 2021.

Jason Saltzman who has now abused me for 2.5+ years, if true, and was said to recruit Rep. Alexandria Ocasio-Cortez, to do so in December of 2018, or soon after that when I met him to talk about an article he wrote <sup>re. empathetic teams</sup> and a project related to my company, AUKERA Ventures, called ~~the~~ Entrepreneurial Education ~~for~~ Social and Economic Mobility (EESM), as I was applying to be considered for a \$15k grant from Colombia's Center for the Study of Social Differences (CSSD), whose change in deadline

P. 8/24

date was sadly liked use as a template for the change in date of Execution for Lisa Montgomery who, like me, had 3 diagnosable psychiatric or mental health disorders; I was also forced to be a tool for those abusing me as her execution approached with the first date being in December of 2020 and the date of her death being in early January 2021, when the abused me over dying my hair blonde; Rani Chau having me coughed on, or someone saying the coughed on me "for Rani", another person who abused me when staying at the Bowery Mission Tribeca; but in the Fall of 2019, and so, these people who abuse me connected it COVID-19, Rani Chu, and homelessness, prior to me testing positive for COVID-19 in April of 2020, and dance and the death penalty when having my hair cut and forcing me to see

7/9/21

an image of a BatSheva piece, after forcing me to see images of blood on walls from the Holocaust show based on the Margaret Atwood, "The Handmaid's Tale" in 2019; and seeing then, in this BatSheva piece by Ohad Naharin, an Israeli choreographer who I respect and whose company I emailed in fear due to abuse in 2019 not knowing what abusers of me, who still abuse me today on May 30, 2021, would do to them, their bodies, their brains, or their lives, as they were used to become accessories in the use and abuse of me and my companies per those abusing me in 2020 or 2021 when they were also said to have to exploit or choose to exploit and abuse, even sexually, an ex-boyfriend of mine and/or their wife in Israel, Gil Cohen and Gilli Kanfi, and

7/10/24

as I saw this BatSheva piece because people were abusing me, I was having my hair washed ~~to be~~ at the Aveda Institute on Spring Street in Manhattan.

In this piece, you can only see the shoes and skirts of the dancers and they drop as if heavily, but not fully, so they land on their feet, and it is important because Jason Soltzman liked, per the abusers of me, to use my viewing habits, including working with reality to show stars, such as "The Real Housewives," and, "KUWTK," cast members, to abuse, use, or exploit me, my history, my company and my "body," and in a way that in 2017 would highlight later in 2019, 2020 and 2021, that the abuse of me was premeditated, which is evident with his use of Lo Bosworth, a cast member of, "The Hills," which recently began

Pg 11/24

a new Season, and Kristen Weiser, or Kristen Rayer, while abusing me internally the week of May 24, 2021, having a cast member, who was said by someone else who has abused and exploited me to a crime extent, since 2015 and/or 2016, Leigh Ann Heibelberg, was said to contact, to abuse me in same way as I had watched the show they were on, "Vanderpump Rules," Tom Sandoval, who said, "viewer," as a reference to my viewing their show in my head, in the way describe Kristen, Jason, Taryn, and others abuse me today, May 30, 2021, or someone else using them and their voice as those abusing me abuse, use, exploit and end up knowing or working with people on these shows, if they didn't prior to knowing I viewed their shows including CNN as I am watching it at

P. 12/24

4: 17pm est on May 17, 2021;  
additionally, the people abusing me  
have used this to abuse me over my  
goals, not political party affiliation,  
and psychologically abuse me over  
"family" and what it means with  
some of the cast of "KUWTK" said  
to list me as "their" family" on a  
platform or something somewhere  
when I am not and people who  
abuse, use, or exploit me "keep close to"  
my own parents, including Kristen  
Naizer or Kristen Rager and Amanda  
and Chad Gelbaugh, which means the  
use and abuse them, while they  
have been abused or exploited over  
this for at least 8.5 to 9.5 years  
and this to me doesn't excuse any  
abuse of them, but <sup>or abuse for any extent of time</sup> is important to  
add because people use the 3 of us and  
my brother and sister in law's family  
which includes their two daughters and  
son, to harm, exploit, use, know, or abuse

Pg 13/24

one another in ways that limit us and negatively impact all of our lives if any, or all, of them are supported in doing this to any of the 7 of us, and for me, this includes my companies, not being able to talk to them because I'm constant' abused, and what people use or do to abuse me, which I can explain to the defendants myself, as it includes potential murder or attempted murder of myself, my parents' neighbor, and at least 1 other person, Elizabeth Galt, in the late Summer or Fall of 2017, as I continued to be abused in ways that jeopardized me at work when working for other people or myself and this led to me borrowing money from my parents, and in 2021, people abusing me to the point I can't because they don't allow me, not because I am disabled in this way or not able to, write, read, work, or think, myself

in that I am a very sensitive individual

7814/24

as I write this as those harming me want me to write they deluged me "becoming sober because (they) abused me," which highlights their psychological and physical abuse because while not necessarily something I can prove I was abused over using drugs at my own brother's wedding in 2012, when I had not in years and still had an issue with alcohol, but similar to drugs would have addressed both successfully between 2011 and January 12, 2018 or July 8, 2019, or December 28, 20 which is when the abuse of me this way began to me in a way I could hear them and 3 dates that represents my attempts at sobriety, which is now, jeopardized, as while I don't drink or take drugs, myself, my roommate at the DHS Tillary Shelter at the Hilton Garden Inn on West 37th Street in New York City smokes marijuana

Pg 15/24

which is legal here, and while he  
not allowed to smoke in the  
rooms the guards know and  
yesterday, or today, she was  
said to potentially work for  
Jack Dorsey, who is unfortunately  
said to work with and be intimate  
with key Ann Heidelberg as she  
uses me and my companies in  
her consulting, and she is said to  
have done this with Liam  
Nelson and members of Columbia  
Venture Community or affiliates or  
other people like myself, who are  
alumni of Columbia University's  
School of General Studies, as well.

The original summons regarding the  
IRS is attached and was not  
served and my parents and brother  
are people I watched abuse me and  
now, to me, be abused in 2018 because  
of the Hate Crimes; they would not  
have abused me in 2018 or ~~later~~ if not for this

Pg 16/24

I am happy to answer questions myself, related to abuse, my life, and my parents and my brother and their family with the defendant related to this because they are all abused and used and limited by those that harm me and even one of my and my brother's 2<sup>nd</sup> cousins, Taryn Kaschock - Russell, was said to introduce Shane Quaker, my brother, and his wife Emily Quaker, to both, Kevin Tony and Cecilia Pykalinausam, who the Taryn Kaschock - Russell, are said to benefit from their use, exploitation and abuse of me, and there is no way this does not extend it true, to all of them, based on how I know them and the<sup>3</sup> people mentioned abusively, exploiting, and/or limiting us.

Please know I also need to not be abused while talking to the defendants by Gesche

7/5/24

Haas or her companies) or investors or these people while talking to the defendants because I am stopped from receiving adequate medical and mental healthcare; fear the Jenner, West, and Kardashian families for valid reasons, and I am more honest than these abusers who portray me to be or their use of my history, and I can explain why, but they have a lot to support, gain, and to continue to benefit from by keeping me in this situation, and be able to call me a "compulsive liar" as someone did at 7:53 pm est while I am writing this on May ~~10~~ 30, 2021, and not allowing me things they should not be able to stop or approve me doing, such as paying my own taxes, my own companies' taxes, and paying to form legal entities for my companies and work, and build my companies, and then, be able to ensure people or companies can hire me or talk to me without being intimately abused, used,

Pg 18/24

endangered, or forced to meet them.

Added  
6/13/21

Please know I continued to be abused by people who know I can't stop them, or not allow them, to abuse or torture me, to add to this.

I know my parents and my brother's family were abused and my parents directly related to this in 2017, especially when a 1st cousin of mine, Tony Maggio, was said to be told to lie to them about how much money they had transferred to me via Western Union. They told me it was \$40k, which is possible, and they, like us, but differently would have had to claim that on their taxes.

A man who abused me sexually in a relationship that was part of a criminal conspiracy, Amanshep Gojral, is also said, like others who abuse me and my parents, to talk to my parents, but about their taxes per people abusing me in 2019 or 2020 in the way they know I can't stop them and am forced to hear them and know it, remain in the

P-19/24

added Wednesday, June 9, 2021

Please know I received an IRS refund in my bank account today I should not have received.

I filed my taxes for year, 2020, incorrectly in February of 2020, so I could apply to MIT's J-PAH program that was abused and rebranded by the people or groups that abuse me. Dates of their publication(s) were even changed to fit the new name which included "Action", not "Alleviation" which it was in 2018 and 2019.

I had received an email re. a UN Master's <sup>Program</sup> students in Geneva, and I emailed them to see if my being enrolled in J-PAH Micro Master's Certificate Program would work for the application; I know this does not mean I would be accepted, but I could apply, and in 2018 I became interested in this Micro Master's and was not able to complete the application due to my taxes not being

complete.

I never applied to either program due to abuse, and a 2nd cousin, who like "Cedar Lake" is part of a group, maybe her own family that wants to oppress me for the rest of my life and be "included" in everything related to me, including lawsuits; her name is Taryn Kaschock or Taryn Kaschock-Bussell, and she forced me to hear her say that she contacted Robert Fadal, who I first talked to about MIT React, in 2018, and they had J-PAL add "blended" to an email or the program and forced me to hear them say it had to do with me partly a picture of me with my brother and a 1st cousin, Tony Maggio, who abused me as part of ~~the Hate~~ Crimes directly and who they said I exploited in partly this picture from my youth in a way that exploited his skin to me, his ethnicity, or his race, as I <sup>also</sup> don't know if he is Italian or Native American. I didn't, but I do know I thought about

his complexion and the difference between how my brother and I, and he looked in 2017.

I also know all of the people who abused or abuse me legally can file lawsuits against me or even from 1998 to 2017. pursue criminal actions against me as an adult and those who didn't or don't, namely Taryn Kaschock or Taryn Kaschock-Russell, have abused me and in her case forced me to hear her say she benefited from doing so, which is important as she and others, victims or not, themselves inhibit me from remaining sober or living ~~and~~ in any environment, incl. a home, or one day having a home, where my human and civil or constitutional rights are not violated by them or ppl like them who abuse me this way, and inhibit me from building and working on my own companies, which are Metro Master's, and an education,

would help with for multiple reasons; it also would not be homeless and save my income.

This is important because I was able to receive a \$1400 stimulus check b/c I filed those taxes.

I actually owe the <sup>federal</sup> gov't \$3200, if I recall correctly based on taxes I filed for 2020.

I have yet to pay to form or form all the legal entities for my companies due to abuse and my taxes for the education led tech company I founded in 2014 now called, AUKERA Ventures LLC, is the one most impactful to me in terms of income and my life for value reasons between 2014 and 2020 and this is the one they used detail most b/c of their abuse of me, it not abusing me internally, which endangers my actual life constantly with

exaggeration; some of them may already be murderers who abuse me directly in this way, and I know how that could happen b/c of how they all choose to abuse me, now in 2021, not only b/c I think I was abused in a similar way while attempting suicide in August of 2014.

Someone or another entity, however, paid my taxes in Delaware for ADVTERA Ventures LLC between May 2020 and this Spring 2021, and I am the only person legally and rightfully who has ever been able to do this legally. Literally, no one else is a legal or rightful representative of any my companies, especially in a way they could pay their taxes, and the risk to them is worth it, as they are mine and not Delaware's to delay payment on my side, or to make crimes against me and them always today if me, vs. ~~as~~ an abuser of

~~7/24/24~~ 7/24/24

me and so, them, paying my/their  
taxes and having the company  
listed in "Good Standing".

I also have an issue with  
not being able to access the  
+ RS site and order my history  
as I ordered my work and/or  
address history before, which  
lists all updates and any "on the  
record," so not cash only, employment  
I now need this for not only my  
records or normal legal issues to  
me, but b/c those abuse me  
those per them to put people in  
groups (ie. roommates, colleagues,  
relatives, etc.) to exploit them  
and/or have them abuse me and/or  
my entire life (ie. birth to death  
as they undermine/oppress/lose me  
intentionally) and my own now, 8,  
companies. This document would  
help today then b/c since 7/7/2020  
they even undermine my security or  
trying to secure legal help or the help of law  
enforcement more by abusing/for/turn/manipulating  
me to file civil action at Civil Courts, <sup>they also want to</sup> to contact FBI?

Courts, which I would, but  
today it would be b/c they  
escalate me, so I am sad for the legal lines of  
groups/peoples that abuse  
me/limit and oppress me.
